29th March – 31st May	2.00pm
1st June – 31st August	3.30pm
1st September – 7th October	2.00pm

Hooked. Natural beauty, easy atmosphere and freedom of choice combine to make Carsington Water addictive to anglers.

Your water. Safe in our hands.

Carsington Water fishing season runs from March to October each year (check with Watersports 01629 540478 for exact dates).

Carsington is predominantly a brown trout fishery stocked with both small fish, to grow on and larger trout of takeable size.

bank fishing

Carsington has 2 miles of bank fishing divided into two main areas; Millfields and Sheepwash. At Millfields a car park leads to one and a half miles of bank angling in large fields and smaller clearings. Please note a free token must be obtained to enter the car park from Watersports prior to fishing. Please display your fishing permit in the window of your vehicle when parked.

Sheepwash bank is half a mile of fishing from the car park southwards. For more details of bank angling please ask for a "Bank Fishing Guide".

boat fishing

Carsington has 20 boats available for hire 8 of which are equipped with petrol outboards. All boats are supplied with oars and anchor.

It is recommended that boats be booked in advance when fishing on a day permit. *Evening boats cannot be booked.* If you wish to reserve an evening boat, you must pay full boat price on arrival.

As a large percentage of the boat angling is within the nature reserve, there are areas buoyed off and restricted areas. Please take time to study these on the map provided. All boats must be back at the jetty by the time stated on the gate.

facilities

A small selection of fishing tackle is available from Watersports, along with light refreshments. A restaurant is open at the visitor centre with a full menu, while other members of the family would also enjoy the exhibition, shopping, adventure playground, footpaths, cycle hire and watersports that are all available at Carsington.
