23 August 2019

Dear Alex

**Consultation under section 13 of the Water Industry Act 1991 on proposed modifications to Condition B of the licences of 17 water companies**

We note the above proposal to modify Licence Condition B of Severn Trent Water Limited under section 13 of the Water Industry Act 1991.

Having read the proposed drafting we have no further comments to make, and confirm our provisional acceptance of the proposed modification. We would, however, like our board to formally ratify the decision when it next meets on 4 October 2019.

Yours sincerely

**Dr Tony Ballance**  
Director, Strategy and Regulation
