

# Foremark Water Sensory Story

A guide for visitors with cognitive disabilities including autism spectrum disorder

WONDERFUL ON TAP

# What is Foremark Water?

Foremark Water is a 230-acre reservoir with multiple trails that run alongside it. There is a large woodland called Carver's Rocks, several beaches, a public bridleway, toilets, a café and a playground.

This means that I can enjoy a walk-through nature, have a bite to eat or drink, or relax on the picnic benches.

WONDERFUL ON TAP

# Facilities at Foremark Water

Foremark Water has two main car parks that I may arrive at. These are the Dam Wall car park and the Main car park.

At the Main car park, I can find the toilets, café and the start of the trails that runs alongside the reservoir.

At the Dam Wall car park there are no toilets or shops, from here I can walk to the Main car park and café.

# Arriving at Foremark Water

When I arrive at Foremark Water, I will be in one of the car parks. From here I can decide to relax, explore the trails or tuck into something from the café.

In the car park, I might see...

- Cars, vans, motorcycles and other vehicles
- Horse riders and their horses
- Dogs and their owners
- Curious birds

# Tips For A Great Day At Foremark Water

- Before I come to Foremark Water, it is a good idea to think about the time I'm going to visit. If I come during school holidays or especially over the summer, it is more likely to be very busy.
- I should keep to the rules and read the signs around the reservoir, which are there to keep everyone safe. For example, I should not swim or paddle in the reservoir.
- I should remember the ranger team are there to help if I need them and I can contact them by calling 01332865081.
- I can find more information on accessibility at Foremark Water on the website:
