

# LEAF RUBBING ART

## What you will need:

- Wax crayons or coloured pencils
- Paper
- Leaves to rub - the best ones are big leaves  
*(Try and find ones with different shapes and textures)*

## Instructions:

1. Find a flat surface to draw on
2. Put the leaves underneath your paper
3. Colour on the paper on top of the leaves to make amazing leaf rubbings!

**Why not see how many different shaped leaves you can find!**
