

# MAKE YOUR OWN BUG HOUSE

Get outside and have some fun by making this bug house in your garden.

## What you will need:

- Sticks of different thickness
- Added extras  
*(if you can't find any it doesn't matter)*
  - Moss
  - Leaves
  - Pinecones
  - Cardboard

## Instructions:

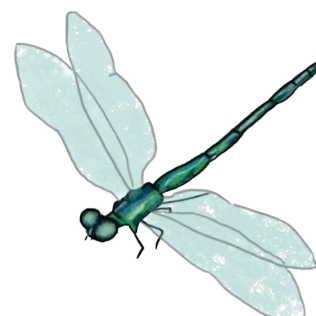

1. Start by making a line of thick sticks on the ground - see picture 1

Picture 1

2. Add another line on top with sticks facing the other way - see picture 2

Picture 2

3. Make sure you have some thick sticks to put on the top at the end.

4. Now add some smaller sticks on top, this completes your bug house  
- see *picture 3*

*Picture 3*

5. Now you can add your extra bits on top, such as moss and leaves, which you can find in your garden, some cardboard, and pinecones that you might find when you go on a walk - see *pictures 4-8*

*Picture 4*

*Picture 5*

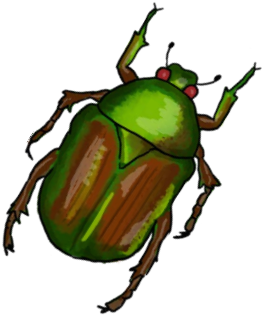

*Picture 6*

*Picture 7*

**Picture 8**

6. Finally, add one or two more layers of thick sticks to hold it all in place  
- see picture 9

**Picture 9**

***Well done, you've finished your bug house!***

**Check your bug house in a week and see what bugs you can spot and write them here:**

*Tell us what bugs you've spotted, what they look like and how they're behaving...*
