

PEBBLE PAINTING

Paint a pebble with your favourite insect or flower

There's lots to choose from.. why not try a ladybird, bee or daisy!

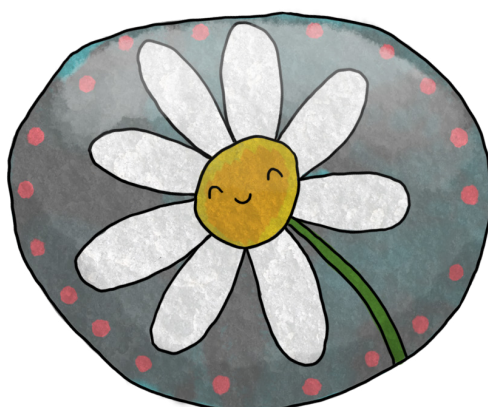

What you'll need:

- Pebbles/ stones (*you can find these in your garden or on your walk*) - big flat stones are best for painting.
- Acrylic or poster paint.
- Paintbrushes - thin ones are best for details such as stripes or spots.
- A glass of water to wash your brushes.
- A colour mixing dish to mix your paint on.

Top tip: After painting your pebble, once it has dried you can coat it in clear nail varnish if you have some, this helps protect it and make it look shiny too!

What to do with your finished pebble?

- Display it in your garden - they look great as ornaments!
- Give it to a family member or friend as a keepsake or gift.
- For smaller lighter stones, why not glue a magnet to the back and use it as a colourful fridge magnet.
